COMMON QUESTIONS

How quickly can you get started? Once you submit your details we aim to be in touch within 24 hours to get things moving.	Do I need to be tech-savvy? Not at all. We handle everything. You just approve the messages before they go out.
Is my client list safe? Yes. Your data is encrypted, never sold or shared, and deleted after your campaign completes.	What if some messages bounce? We monitor delivery rates and flag any issues. Your campaign won't be affected.
Can I upgrade my package? Yes — you can upgrade at any point before your return campaign fires.	What if I'm not sure of my return date? No problem. We build your campaign around a flexible timeline and adjust as your plans firm up.
